

**WORLD LP GAS ASSOCIATION**

WWW.WORLIDLPGAS.COM

As a member of the World LP Gas Association, **(Member Company Name)** is committed to operate in accordance with the practices and principles of the Association and will:

- Work with Governments and their Agencies and Industry Organisations to establish and maintain a regulatory framework and control structure that will enable all stakeholders to benefit from an open, healthy and safe LP Gas market.
- Undertake business activities in accordance with the standards described in the *WLPGA Guidelines for **Good Business Practices in the LP Gas Industry.***
- Operate in a systematic manner to the high standards of safe operational practice described in the *WLPGA Guidelines for **Good Safety Practices in the LP Gas Industry*** and all local requirements.
- Provide appropriate guidance and support to its distribution network to ensure high standards of safety and commercial business practice are maintained throughout the business chain.
- Ensure that all activities are carried out in a manner that minimises the impact on the Environment and causes no harm to public.
- Demonstrate leadership responsibility by example to the LP Gas Industry in the countries of operation.
- Assure high standards of safety, quality and reliability are maintained in all products and services offered to the market.

The World LP Gas Association assures its full support to **(Member Company Name)** in their resolve to adhere to this Code of Conduct.
