Describe your current role within your company including a brief history of how you came to hold this role.

Why did you choose the LPG industry as a career choice?

What do you feel have been your key achievements in the LPG industry, and any contributions beyond your own company to the industry?

Do you currently, or have you, had a mentor? What benefits do you think this has given you?

How do you see your future career within the LPG industry?

All nominations will be considered by an Awards Panel, the winner will be selected in October and announced during the World LPG Forum in Dubai in November 2020.

Additional supporting documentation may be used to assess each application so please feel free to include any additional information but please keep this to one side of paper only (paper size European A4 or US Letter).

Thank you!
