## Morning Parallel Sessions 11:30am-1:00pm

### New Applications Track

#### Session 1: Innovations in Oceania

Ballroom - Marriott

There are also plenty of innovations taking place in the Oceania region that you may not have heard of that could be game changers for the region. See what is happening right here at home.

**Moderator:** Eric Hahn, CM, Marketing Elgas, Australia

- Adam Trethowan, Dual fuel, Australia
- Matthew Simmons, National Operations Manager, PSG Group, Australia
- Alberto Balbo, GE Power and Water, Australia
- Suraj Naravan, Wartsila, Australia
- Matt Derrig, Petroleum and Gas Company, Fiji

### Pacific Track

#### Session 1: Overview of Market Conditions in the Pacific Islands

Verandah Room - Marriott

Australia, New Zealand and the Pacific islands are linked together by supply routes across their vast geography. This session will give an overview of markets in this diverse region and see where the opportunities exist for LPG to address the energy concerns of the regions countries which share unique geographical traits and face a wide range of social, economic and environmental challenges.

**Moderator:** Alan Bartmanovich, Petroleum Advisor, Economic Development Division, Pacific Community, Fiji

- Gordon Chang, Deputy Executive Director, Pacific Power Association, Fiji
- Esther Phua, Editor LPG, Argus Media, Singapore
- Hon. David Day Pacha, Minister of Energy, Mines and Rural Electrification, Solomon Islands
- Harvie Probert, Chairman, Fiji Gas, Fiji
- Jared Morris, CEO, Vital FSM Petroleum Corporation, Federated State of Micronesia

### Autogas Track

#### Session 1: Global Autogas Developments

Hinterland Room - Marriott

Autogas is one of the most promising areas of growth for the future of the industry. What are countries doing around the world to stimulate growth of this key market and what lessons can be applied in Oceania?

**Moderator:** Fiona Poynter, VP, LNG Asia Pacific, Argus Media

- Larry Osgood, Lead Technical Consultant, PERC, USA
- Samuel Maubanc, General Manager, AEGPL, Brussels
- Bart van Aerle, CEO, Prins, Netherlands
- Suyash Gupta, Director General, Indian Auto LPG Coalition, India
- Eric Johnson, Principal, Atlantic Consulting, Switzerland

**1:00pm-2:00pm Networking Lunch**

## Afternoon Parallel Sessions 2:00pm-3:30pm

### New Applications Track

#### Session 2: New Technologies from around the World

Ballroom - Marriott

This session will highlight the innovations in technology and best practices from around the world that could have a positive long term impact on the growth prospects of the Oceania region. Come find out what is happening around the world that could benefit your business.

**Moderator:** Eric Hahn, CM, Marketing Elgas, Australia
