## Morning Parallel Sessions 11:30am-1:00pm

### New Applications Track

### Pacific Track

### Autogas Track

#### Session 1: Innovations in Oceania

Ballroom - Marriott

There are also plenty of innovations taking place in the Oceania region that you may not have heard of that could be game changers for the region. See what is happening right here at home.

**Moderator:** Eric Hahn, GM, Marketing Elgas, Australia

- Adam Trethowan, Dual Fuel, Australia
- *LPG Power Generation Units:* James Postle, Project Manager, Overseas Marketing & Sales Division, Yanmar Energy System, Japan
- *LPG and Air Conditioning:* Matthew Simmons, National Operations Manager, PSG Group, Australia
- *Wartsila's LPG and Related Applications:* Suraj Naravan, Sales Director Wartsila, Australia
- *LPG Co-Injection into Diesel Generators and Heavy Vehicles in Fiji:* Matt Derrig, Sales and Technical Development, GasMastor, Australia

#### Session 1: Overview of Market Conditions in the Pacific Islands

Verandah Room - Marriott

Australia, New Zealand and the Pacific islands are linked together by supply routes across their vast geography. See where the opportunities exist for LPG to address the energy concerns of the regions countries which share unique geographical traits and face a wide range of social, economic and environmental challenges.

**Moderator:** Alan Bartmanovich, Petroleum Advisor, Economic Development Division, Pacific Community, Fiji

- *Overview of the Pacific Islands:* Gordon Chang, Deputy Executive Director, Pacific Power Association, Fiji
- *Global Overview of LPG Production:* Esther Phua, Editor LPG, Argus Media, Singapore
- *Solomon Islands:* Hon. David Day Pacha, Minister of Energy, Mines and Rural Electrification, Solomon Islands
- *Fiji:* Harvie Probert, Chairman, Fiji Gas, Fiji
- *FSM:* Maderson Ramon, General Manager, Vital Energy Inc., Federated State of Micronesia

#### Session 1: Global Autogas Developments

Hinterland Room - Marriott

Autogas is one of the most promising areas of growth for the future of the industry. What are countries doing around the world to stimulate growth of this key market and what lessons can be applied in Oceania?

**Moderator:** Fiona Poynter, VP, LNG, Asia Pacific, Argus Media, Singapore

- *The US Autogas Market:* Larry Osgood, Lead Technical Consultant, PERC, USA
- *Autogas in Europe :* Samuel Maubanc, General Manager, AEGPL, Brussels
- *Indian Autogas:* Suyash Gupta, Director General, Indian Auto LPG Coalition, India
- *A Scientific Perspective on Autogas Emissions:* Eric Johnson, Principal, Atlantic Consulting, Switzerland
- *LPG and Diesel in Canada:* Éric Paquet, General Manager, Blenergy, Canada
- *Direct LPG Injection:* Bart van Aerle, CEO, Prins, Netherlands

**1:00pm-2:00pm Networking Lunch**

## Afternoon Parallel Sessions 2:00pm-3:30pm

### New Applications Track

### Pacific Track

### Autogas Track

#### Session 2: New Technologies from around the World

Ballroom - Marriott

This session will highlight the innovations in technology and best practices from around the world that could have a positive long term impact on the growth prospects of the Oceania region. Come find out what is happening around the world that could benefit your business.

**Moderator:** Eric Hahn, GM, Marketing Elgas, Australia

- *Agricultural Applications in the US:* Larry Osgood, Lead Technical Consultant, PERC, USA
- *Green Gear:* Manuel Sguazzi, Cavagna Group Asia Sales Director, Italy
- *Earthquake Actuated Shut Off System:* Neil Ormrod, Director, ITO Europe Limited, UK
- *Bio-Propane: What's Next?:* Eric Johnson, Principal, Atlantic Consulting, Switzerland
- *LPG at Sea:* Captain Bernardo Herzer, Lehr, USA

#### Session 2: Opportunities and Examples from around the World that could work in the Pacific

Verandah Room - Marriott

This session will look at programmes and projects from around the world that can be adapted to the unique needs of the Pacific Island markets.

**Moderator:** Alan Bartmanovich, Petroleum Advisor, Economic Development Division, Pacific Community, Fiji

- *LPG and Natural Gas as Alternative Energy Sources for the Pacific Region:* Jack Whelan, Secretariat Manager, Pacific Region Infrastructure Facility
- *Bulk LPG vs Isotainers:* John Johnson, Regional Manager, Geogas Trading, Switzerland
- *LPG, Community and the Triple Bottom Line:* Lesieli Taviri, CEO, Origin Energy PNG, Papua New Guinea
- *Indonesian Kerosene to LPG Switching Programme:* Basuki Trikora, VP of Domestic Gas, Pertamina, Indonesia

#### Session 2: Autogas in Oceania: What's Next?

Hinterland Room - Marriott

Autogas in Australia has been through a very challenging period but it looks set to rebound. What is in store for the future of Autogas in Australia and the rest of the region?

**Moderator:** Fiona Poynter, VP, LNG, Asia Pacific, Argus Media, Singapore

- *The Current Future of the Autogas Vehicle Market:* Natalie Roberts, Managing Director & Principal Engineer, ABMARC, Australia
- *Autogas in Australia:* Daniel Elkins, Director Safety Productivity and Safety, National Heavy Vehicle Regulator, Australia
- *Innovation for Growth:* Cameron Ure, General Manager, Unigas, Australia
- *How OEM's Address Customer's Needs:* Rohan Cook, CMV, Australia
- *Autogas in Fiji:* Ajai Punja, Managing Director Petroleum and Gas Company, Fiji

**3:30pm-4:00pm Tea Break**

## Closing Roundtable 4:00pm-5:30pm

4:00pm-5:30pm

**Closing Round Table Discussion: What does the future hold for the Pacific Region?**

Ballroom - Marriott

This closing round table will look forward at the future of LPG in the region and will feature the chairs of the three tracks to give overviews of the discussions which took place in their sessions. It will also examine how organisations like WLPGA and its partners can help foster safe, sustainable growth of the industry.

**Moderator:** Robert Pritchard, Executive Director, Energy Policy Institute of Australia

- Alan Bartmanovich, Petroleum Advisor, Economic Development Division, Pacific Community, Fiji
- Fiona Poynter, VP LNG, Asia Pacific, Argus Media, Singapore
- Eric Hahn, GM, Marketing, Elgas, Australia
